

NIGHT ON THE

Sound

Friday, October 14th &
Saturday, October 15th

Since 2015, this signature fundraising event has connected people to our important mission and raised critical dollars for programs and research. Our campus is growing, and due to the ongoing construction of our new educational pavilion, this year's Night on the Sound will be held in the Maritime Center and split between two uniquely special evenings that we are calling *Low Tide and High Tide*.

We hope you will join us for one or both nights!

LOW TIDE

OCTOBER 14TH, 2022

6-9pm, \$250/ticket

Attendees will board the Salty Dog boat from the dock of the Maritime Center for a sunset cocktail cruise along the Chechessee River, and then return for a festive Sound to Table dinner catered by SERG Restaurant Group. Music, food, and fun will fill the Maritime Center as we celebrate our beautiful Port Royal Sound. Hilton Head Island native Andrew Carmines of Hudson's Seafood will talk about sustainable seafood in the Lowcountry and share some of his favorite tips and tricks for enjoying all that the Sound provides. He was recently featured on the Today Show and serves on our Board of Trustees.

This casual celebration includes drinks and appetizers served on the Salty Dog boat cruise, followed by an open bar of beer/wine, and a Lowcountry Boil/BBQ at the Maritime Center prepared by the SERG Restaurant Group.

Casual Cocktail Attire.

HIGH TIDE

OCTOBER 15TH, 2022

6-9pm, \$300/ticket

This is the Night on the Sound event you all know and love! We're thrilled to announce that Lowcountry-native Dr. Carole Baldwin will be our guest speaker. Dr. Baldwin is Chair of the Department of Vertebrate Zoology at the Smithsonian National Museum of Natural History, director of the museum's Deep Reef Observation Project, and star of the 3-D IMAX film, *Galapagos*. Dr. Baldwin grew up in the Port Royal Sound area, and we are excited for her to share her amazing journey and unique perspective on understanding and caring for our oceans.

This intimate occasion in the Maritime Center will feature a cocktail hour with a full open bar and amazing appetizers, followed by a 3-course meal featuring a choice of surf and turf or vegetarian risotto prepared by the SERG Restaurant Group.

Cocktail Attire.
