## SPONSORSHIP MAKES AN IMPACT

The Inshore Slam provides fishing enjoyment, promotes best fishing practices, and supports important research to help conserve the health of the Sound. Your sponsorship connects your business to a significant fishing community, locally and regionally. Sponsorship deliverables are structured to promote your brand in a positive and impactful way.

## CONSERVATION DRIVEN

The Inshore Slam is a 10-day, catch-photo-release fishing tournament in the Port Royal Sound watershed. With over \$10,000\* in cash and prizes, all anglers have an opportunity to win and provide SCDNR with valuable catch data. Fish species and lengths will be photo-recorded by each participant using the MyCatch phone app and shared with SCDNR researchers. Don't worry, fishing locations will not be shared!
